

Datasheet for ABIN1923647

**anti-PI16 antibody (AA 301-329) (FITC)**[Go to Product page](#)

## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | PI16                                     |
| Binding Specificity: | AA 301-329                               |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This PI16 antibody is conjugated to FITC |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                   |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                               |
| Specificity:  | This PI16 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 301-329 amino acids from the Central region of human PI16. |
| Purification: | Affinity purified                                                                                                                                                 |

## Target Details

|                                                                                       |                                        |
|---------------------------------------------------------------------------------------|----------------------------------------|
| Target:                                                                               | PI16                                   |
| Alternative Name:                                                                     | PI16 ( <a href="#">PI16 Products</a> ) |
| Background:                                                                           | Name/Gene ID: PI16                     |
| Synonyms: PI16, CRISP-9, MSMBBP, PSP94-binding protein, PI-16, Protease inhibitor 16, |                                        |

### Target Details

|          |                                                  |
|----------|--------------------------------------------------|
|          | CRISP9, DJ90K10.5, Peptidase inhibitor 16, PSPBP |
| Gene ID: | 221476                                           |

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
