

Datasheet for ABIN1924977

**anti-PNPT1 antibody (AA 284-311) (APC)**[Go to Product page](#)

## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | PNPT1                                    |
| Binding Specificity: | AA 284-311                               |
| Reactivity:          | Human, Mouse                             |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This PNPT1 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                     |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                 |
| Specificity:  | This PNPT1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 284-311 amino acids from the Central region of human PNPT1. |
| Purification: | Affinity purified                                                                                                                                                   |

## Target Details

|                   |                                                                                                          |
|-------------------|----------------------------------------------------------------------------------------------------------|
| Target:           | PNPT1                                                                                                    |
| Alternative Name: | PNPT1 ( <a href="#">PNPT1 Products</a> )                                                                 |
| Background:       | Name/Gene ID: PNPT1<br><br>Synonyms: PNPT1, 3-5 RNA exonuclease OLD35, COXPD13, DFNB70, OLD35, PNPase 1, |

### Target Details

|          |                                                               |
|----------|---------------------------------------------------------------|
|          | PNPase old-35, Old-35, PNPASE, Polynucleotide phosphorylase 1 |
| Gene ID: | 87178                                                         |

### Application Details

|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                      |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
