## Overview

|                      |                                                 |
|----------------------|-------------------------------------------------|
| Quantity:            | 100 µL                                          |
| Target:              | PPP1R13B                                        |
| Binding Specificity: | AA 50-100                                       |
| Reactivity:          | Human                                           |
| Host:                | Rabbit                                          |
| Clonality:           | Polyclonal                                      |
| Conjugate:           | This PPP1R13B antibody is un-conjugated         |
| Application:         | Western Blotting (WB), Immunoprecipitation (IP) |

## Product Details

|               |                                                                                                                                                  |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                              |
| Specificity:  | Region between residue 50 and 100 of human Apoptosis-Stimulated Protein of p53, 1 using the numbering given in entry NP_056131.1 (GeneID 23368). |
| Purification: | Immunoaffinity purified                                                                                                                          |

## Target Details

|                   |                                                                                     |
|-------------------|-------------------------------------------------------------------------------------|
| Target:           | PPP1R13B                                                                            |
| Alternative Name: | PPP1R13B ( <a href="#">PPP1R13B Products</a> )                                      |
| Background:       | Name/Gene ID: PPP1R13B<br><br>Synonyms: PPP1R13B, ASPP1, p53BP2-like, p85, KIAA0771 |

### Target Details

|           |                               |
|-----------|-------------------------------|
| Gene ID:  | 23368                         |
| Pathways: | <a href="#">p53 Signaling</a> |

### Application Details

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Application Notes: | Approved: IP (2 - 5 µg/mg lysate), WB (1:2000 - 1:10000) |
| Comment:           | Target Species of Antibody: Human                        |
| Restrictions:      | For Research Use only                                    |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | Tris-citrate/phosphate buffer, pH 7-8, 0.09 % sodium azide.                                                            |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C                                                                                                                   |
| Storage Comment:   | Store at 2-8°C for up to 1 year.                                                                                       |
| Expiry Date:       | 12 months                                                                                                              |
