## anti-QPCTL antibody (AA 271-297) (HRP)

### Overview

|                      |  |
|----------------------|--|
| Quantity:            | 200 µL                                   |
| Target:              | QPCTL                                    |
| Binding Specificity: | AA 271-297                               |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This QPCTL antibody is conjugated to HRP |
| Application:         | ELISA, Western Blotting (WB)             |

### Product Details

|               |  |
|---------------|--|
| Isotype:      | IgG  |
| Specificity:  | This QPCTL antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 271-297 amino acids from the C-terminal region of human QPCTL. |
| Purification: | Affinity purified  |

### Target Details

|                   |   |
|-------------------|---|
| Target:           | QPCTL   |
| Alternative Name: | QPCTL ( <a href="#">QPCTL Products</a> )            |
| Background:       | Name/Gene ID: QPCTL                                 |
|                   | Synonyms: QPCTL, Glutaminy cyclase-like, IsoQC, GQC |

## Target Details

|          |       |
|----------|-------|
| Gene ID: | 54814 |
|----------|-------|

## Application Details

|                    |                     |
|--------------------|---------------------|
| Application Notes: | Approved: ELISA, WB |
|--------------------|---------------------|

Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested.

|          |                                   |
|----------|-----------------------------------|
| Comment: | Target Species of Antibody: Human |
|----------|-----------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                |              |
|----------------|--------------|
| Concentration: | Lot specific |
|----------------|--------------|

|         |                             |
|---------|-----------------------------|
| Buffer: | PBS, no preservatives added |
|---------|-----------------------------|

|               |                      |
|---------------|----------------------|
| Preservative: | Without preservative |
|---------------|----------------------|

|                  |   |
|------------------|---|
| Handling Advice: | Aliquot to avoid repeated freezing and thawing. |
|------------------|---|

|          |              |
|----------|--------------|
| Storage: | 4 °C, -20 °C |
|----------|--------------|

|                  |  |
|------------------|--|
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
|------------------|--|

|              |          |
|--------------|----------|
| Expiry Date: | 6 months |
|--------------|----------|
