

Datasheet for ABIN1928479

**anti-QTRT1 antibody (AA 345-371) (PE)**[Go to Product page](#)

## Overview

|                      |                                         |
|----------------------|-----------------------------------------|
| Quantity:            | 200 µL                                  |
| Target:              | QTRT1                                   |
| Binding Specificity: | AA 345-371                              |
| Reactivity:          | Human                                   |
| Host:                | Rabbit                                  |
| Clonality:           | Polyclonal                              |
| Conjugate:           | This QTRT1 antibody is conjugated to PE |
| Application:         | Western Blotting (WB), ELISA            |

## Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                    |
| Specificity:  | This QTRT1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 345-371 amino acids from the C-terminal region of human QTRT1. |
| Purification: | Affinity purified                                                                                                                                                      |

## Target Details

|                                                                                           |                                          |
|-------------------------------------------------------------------------------------------|------------------------------------------|
| Target:                                                                                   | QTRT1                                    |
| Alternative Name:                                                                         | QTRT1 ( <a href="#">QTRT1 Products</a> ) |
| Background:                                                                               | Name/Gene ID: QTRT1                      |
| Synonyms: QTRT1, FP3235, Guanine insertion enzyme, TGT, catalytic subunit, TGUT, TGT, 43- |                                          |

## Target Details

|           |                                                     |
|-----------|-----------------------------------------------------|
|           | KD subunit, TGT, TRNA-guanine transglycosylase      |
| Gene ID:  | 81890                                               |
| Pathways: | <a href="#">Ribonucleoside Biosynthetic Process</a> |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
