Datasheet for ABIN1929119  
**anti-RALYL antibody (AA 76-104) (HRP)**

### Overview

|                      |  |
|----------------------|--|
| Quantity:            | 200 µL                                   |
| Target:              | RALYL                                    |
| Binding Specificity: | AA 76-104                                |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This RALYL antibody is conjugated to HRP |
| Application:         | ELISA, Western Blotting (WB)             |

### Product Details

|               |   |
|---------------|---|
| Isotype:      | IgG   |
| Specificity:  | This RALYL antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 76-104 amino acids from the N-terminal region of human RALYL. |
| Purification: | Protein A purified  |

### Target Details

|                   |  |
|-------------------|--|
| Target:           | RALYL                                    |
| Alternative Name: | RALYL ( <a href="#">RALYL Products</a> ) |
| Background:       | Name/Gene ID: RALYL                      |

Synonyms: RALYL, HnRNP core protein C-like 3, RNA-binding Raly-like protein, HNRPCL3,

## Target Details

---

HRALYL, RALY RNA binding protein-like

Gene ID: 138046

## Application Details

---

Application Notes: Approved: ELISA, WB

Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested.

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

---

Format: Liquid

Concentration: Lot specific

Buffer: PBS, no preservatives added

Preservative: Without preservative

Handling Advice: Aliquot to avoid repeated freezing and thawing.

Storage: 4 °C, -20 °C

Storage Comment: Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light.

Expiry Date: 6 months
