Datasheet for ABIN1929486  
**anti-RBAK antibody (AA 74-102) (Biotin)**

## Overview

|                      |  |
|----------------------|--|
| Quantity:            | 200 µL                                     |
| Target:              | RBAK                                       |
| Binding Specificity: | AA 74-102                                  |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This RBAK antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA               |

## Product Details

|               |   |
|---------------|---|
| Isotype:      | IgG   |
| Specificity:  | This RBAK antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 74-102 amino acids from the N-terminal region of human RBAK. |
| Purification: | Affinity purified   |

## Target Details

|                   |  |
|-------------------|--|
| Target:           | RBAK                                   |
| Alternative Name: | RBAK ( <a href="#">RBAK Products</a> ) |
| Background:       | Name/Gene ID: RBAK                     |

Synonyms: RBAK, HRBaK, RB-associated KRAB repressor, RB-associated KRAB zinc finger, Zinc

## Target Details

finger protein 769, ZNF769

Gene ID: 57786

## Application Details

Application Notes: Approved: ELISA, WB

Usage: The applications listed have been tested for the unconjugated form of this product.  
Other forms have not been tested.

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: PBS, no preservatives added

Preservative: Without preservative

Handling Advice: Aliquot to avoid repeated freezing and thawing.

Storage: 4 °C, -20 °C

Storage Comment: Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light.

Expiry Date: 6 months
