## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µL                                                   |
| Target:              | RELB                                                     |
| Binding Specificity: | AA 50-100                                                |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This RELB antibody is un-conjugated                      |
| Application:         | Immunoprecipitation (IP), Proximity Ligation Assay (PLA) |

## Product Details

|               |                                                                                                                                                               |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                           |
| Specificity:  | Region between residue 50 and 100 of human v-rel reticuloendotheliosis viral oncogene homolog B using the numbering given in entry NP_006500.2 (GeneID 5971). |
| Purification: | Immunoaffinity purified                                                                                                                                       |

## Target Details

|                   |                                                                                         |
|-------------------|-----------------------------------------------------------------------------------------|
| Target:           | RELB                                                                                    |
| Alternative Name: | RELB ( <a href="#">RELB Products</a> )                                                  |
| Background:       | Name/Gene ID: RELB<br><br>Synonyms: RELB, REL-B, Transcription factor RelB, I-Rel, IREL |

### Target Details

|           |                                                                     |
|-----------|---------------------------------------------------------------------|
| Gene ID:  | 5971                                                                |
| Pathways: | <a href="#">NF-kappaB Signaling</a> , <a href="#">RTK Signaling</a> |

### Application Details

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Application Notes: | Approved: IP (2 - 10 µg/mg lysate), PLA (1:1000 - 1:20000)<br><br>Not recommended for: WB |
| Comment:           | Target Species of Antibody: Human                                                         |
| Restrictions:      | For Research Use only                                                                     |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | Tris-citrate/phosphate buffer, pH 7-8, 0.09 % sodium azide.                                                            |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C                                                                                                                   |
| Storage Comment:   | Store at 2-8°C for up to 1 year.                                                                                       |
| Expiry Date:       | 12 months                                                                                                              |
