## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 200 µL                                                   |
| Target:              | RPL23                                                    |
| Binding Specificity: | AA 49-78                                                 |
| Reactivity:          | Human, Mouse                                             |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This RPL23 antibody is conjugated to APC                 |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                                                                                                                                   |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                               |
| Specificity:  | This RPL23 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 49-78 amino acids from the Central region of human RPL23. |
| Purification: | Protein A purified                                                                                                                                                |

## Target Details

|                   |                                                                                                                  |
|-------------------|------------------------------------------------------------------------------------------------------------------|
| Target:           | RPL23                                                                                                            |
| Alternative Name: | RPL23 / L23 ( <a href="#">RPL23 Products</a> )                                                                   |
| Background:       | Name/Gene ID: RPL23<br><br>Synonyms: RPL23, 60S ribosomal protein L23, 60S ribosomal protein L17, L23, Ribosomal |

Target Details

|           |                                              |
|-----------|----------------------------------------------|
|           | protein L17, Ribosomal protein L23           |
| Gene ID:  | 9349                                         |
| Pathways: | <a href="#">Protein targeting to Nucleus</a> |

Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, IHC, WB                                                                                                        |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
