## Overview

|                      |                                                 |
|----------------------|-------------------------------------------------|
| Quantity:            | 100 µL                                          |
| Target:              | SCFD1                                           |
| Binding Specificity: | AA 300-350                                      |
| Reactivity:          | Human, Mouse, Rat, Dog, Cow, Horse, Rabbit, Pig |
| Host:                | Rabbit                                          |
| Clonality:           | Polyclonal                                      |
| Conjugate:           | This SCFD1 antibody is un-conjugated            |
| Application:         | Western Blotting (WB), Immunoprecipitation (IP) |

## Product Details

|               |                                                                                                                                            |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                        |
| Specificity:  | Region between residue 300 and 350 of human sec1 family domain containing 1 using the numbering given in entry NP_057190.2 (GeneID 23256). |
| Purification: | Immunoaffinity purified                                                                                                                    |

## Target Details

|                                                                                  |                                                 |
|----------------------------------------------------------------------------------|-------------------------------------------------|
| Target:                                                                          | SCFD1                                           |
| Alternative Name:                                                                | SCFD1 / SLY1 ( <a href="#">SCFD1 Products</a> ) |
| Background:                                                                      | Name/Gene ID: SCFD1                             |
| Synonyms: SCFD1, KIAA0917, RA410, SLY1 homolog, SLY1P, C14orf163, SLY1, STXBP1L2 |                                                 |

### Target Details

Gene ID: 23256

### Application Details

Application Notes: Approved: IP (2 - 5 µg/mg lysate), WB (1:2000 - 1:10000)

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

### Handling

Format: Liquid

Concentration: Lot specific

Buffer: Tris-buffered saline, 0.1 % BSA, 0.09 % sodium azide.

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C

Storage Comment: Store at 2-8°C for up to 1 year.

Expiry Date: 12 months
