

Datasheet for ABIN1934232

## **anti-SFRP4 antibody (AA 318-346) (HRP)**

[Go to Product page](#)

### Overview

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Quantity:            | 200 µL                                              |
| Target:              | SFRP4                                               |
| Binding Specificity: | AA 318-346                                          |
| Reactivity:          | Human                                               |
| Host:                | Rabbit                                              |
| Clonality:           | Polyclonal                                          |
| Conjugate:           | This SFRP4 antibody is conjugated to HRP            |
| Application:         | Western Blotting (WB), ELISA, Flow Cytometry (FACS) |

### Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                    |
| Specificity:  | This SFRP4 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 318-346 amino acids from the C-terminal region of human SFRP4. |
| Purification: | Protein A purified                                                                                                                                                     |

### Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | SFRP4                                      |
| Alternative Name: | SFRP4 ( <a href="#">SFRP4 Products</a> )   |
| Background:       | Name/Gene ID: SFRP4<br>Subfamily: Frizzled |

## Target Details

|           |                                       |
|-----------|---------------------------------------|
|           | Synonyms: SFRP4, FRPHE, SFRP-4, FRP-4 |
| Gene ID:  | 6424                                  |
| Pathways: | <a href="#">WNT Signaling</a>         |

## Application Details

|                    |                                                                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, WB                                                                                                                                                   |
|                    | Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                                      |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
