

Datasheet for ABIN1937159

## **anti-SNX25 antibody (AA 399-426) (HRP)**

[Go to Product page](#)

### Overview

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Quantity:            | 200 µL                                              |
| Target:              | SNX25                                               |
| Binding Specificity: | AA 399-426                                          |
| Reactivity:          | Human                                               |
| Host:                | Rabbit                                              |
| Clonality:           | Polyclonal                                          |
| Conjugate:           | This SNX25 antibody is conjugated to HRP            |
| Application:         | Western Blotting (WB), ELISA, Flow Cytometry (FACS) |

### Product Details

|               |                                                                                                                                                                     |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                 |
| Specificity:  | This SNX25 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 399-426 amino acids from the Central region of human SNX25. |
| Purification: | Affinity purified                                                                                                                                                   |

### Target Details

|                                                                      |                                          |
|----------------------------------------------------------------------|------------------------------------------|
| Target:                                                              | SNX25                                    |
| Alternative Name:                                                    | SNX25 ( <a href="#">SNX25 Products</a> ) |
| Background:                                                          | Name/Gene ID: SNX25                      |
| Synonyms: SNX25, SBBI31, MSTP043, Sorting nexin-25, Sorting nexin 25 |                                          |

## Target Details

|           |                                                                            |
|-----------|----------------------------------------------------------------------------|
| Gene ID:  | 83891                                                                      |
| Pathways: | <a href="#">Regulation of G-Protein Coupled Receptor Protein Signaling</a> |

## Application Details

|                    |                                                                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, WB<br><br>Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                                                                      |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
