

Datasheet for ABIN1937206

**anti-SNX6 antibody (AA 81-110) (Biotin)**[Go to Product page](#)

## Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | SNX6                                       |
| Binding Specificity: | AA 81-110                                  |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This SNX6 antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA               |

## Product Details

|               |                                                                                                                                                                     |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                 |
| Specificity:  | This SNX6 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 81-110 amino acids from the N-terminal region of human SNX6. |
| Purification: | Affinity purified                                                                                                                                                   |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | SNX6                                   |
| Alternative Name: | SNX6 ( <a href="#">SNX6 Products</a> ) |
| Background:       | Name/Gene ID: SNX6                     |

Synonyms: SNX6, MSTP010, Sorting nexin-6, TFAF2, Sorting nexin 6, TRAF4-associated factor

## Target Details

|           |                                        |
|-----------|----------------------------------------|
|           | 2                                      |
| Gene ID:  | 58533                                  |
| Pathways: | <a href="#">EGFR Signaling Pathway</a> |

## Application Details

|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                      |

## Handling

|                    |                                                                                                                                |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                         |
| Concentration:     | Lot specific                                                                                                                   |
| Buffer:            | PBS, pH 7.2, 0.09 % sodium azide.                                                                                              |
| Preservative:      | Sodium azide                                                                                                                   |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.         |
| Handling Advice:   | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:           | 4 °C,-20 °C                                                                                                                    |
| Storage Comment:   | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:       | 6 months                                                                                                                       |
