## anti-SRRT antibody (AA 54-81) (PE)

[Go to Product page](#)

### Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 200 µL                                 |
| Target:              | SRRT                                   |
| Binding Specificity: | AA 54-81                               |
| Reactivity:          | Human                                  |
| Host:                | Rabbit                                 |
| Clonality:           | Polyclonal                             |
| Conjugate:           | This SRRT antibody is conjugated to PE |
| Application:         | Western Blotting (WB), ELISA           |

### Product Details

|               |                                                                                                                                                                    |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                |
| Specificity:  | This SRRT antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 54-81 amino acids from the N-terminal region of human SRRT. |
| Purification: | Affinity purified                                                                                                                                                  |

### Target Details

|                                                                                            |                                               |
|--------------------------------------------------------------------------------------------|-----------------------------------------------|
| Target:                                                                                    | SRRT                                          |
| Alternative Name:                                                                          | SRRT / ARS2 ( <a href="#">SRRT Products</a> ) |
| Background:                                                                                | Name/Gene ID: SRRT                            |
| Synonyms: SRRT, Arsenate resistance protein 2, ARS2, Serrate, Arsenite resistance protein, |                                               |

### Target Details

|           |                                                                         |
|-----------|-------------------------------------------------------------------------|
|           | Arsenite-resistance protein 2, ASR2                                     |
| Gene ID:  | 51593                                                                   |
| Pathways: | <a href="#">Notch Signaling</a> , <a href="#">Stem Cell Maintenance</a> |

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
