

Datasheet for ABIN1939290

**anti-STX8 antibody (AA 8-36) (HRP)**[Go to Product page](#)

## Overview

|                      |                                         |
|----------------------|-----------------------------------------|
| Quantity:            | 200 µL                                  |
| Target:              | STX8                                    |
| Binding Specificity: | AA 8-36                                 |
| Reactivity:          | Mouse                                   |
| Host:                | Rabbit                                  |
| Clonality:           | Polyclonal                              |
| Conjugate:           | This STX8 antibody is conjugated to HRP |
| Application:         | Western Blotting (WB), ELISA            |

## Product Details

|               |                                                                                                                                                                   |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                               |
| Specificity:  | This STX8 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 8-36 amino acids from the N-terminal region of human STX8. |
| Purification: | Protein A purified                                                                                                                                                |

## Target Details

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| Target:           | STX8                                                |
| Alternative Name: | STX8 / Syntaxin 8 ( <a href="#">STX8 Products</a> ) |
| Background:       | Name/Gene ID: STX8                                  |
|                   | Synonyms: STX8, CARB, Syntaxin 8, Syntaxin-8        |

### Target Details

|           |                                             |
|-----------|---------------------------------------------|
| Gene ID:  | 9482                                        |
| Pathways: | <a href="#">Synaptic Vesicle Exocytosis</a> |

### Application Details

|                    |                                                                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:           | Target Species of Antibody: Mouse                                                                                                                                                                     |
| Restrictions:      | For Research Use only                                                                                                                                                                                 |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
