

Datasheet for ABIN1940076

**anti-TAS2R13 antibody (AA 199-228) (HRP)**[Go to Product page](#)

## Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | TAS2R13                                    |
| Binding Specificity: | AA 199-228                                 |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This TAS2R13 antibody is conjugated to HRP |
| Application:         | ELISA, Western Blotting (WB)               |

## Product Details

|               |                                                                                                                                                                            |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                        |
| Specificity:  | This TAS2R13 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 199-228 amino acids from the C-terminal region of human TAS2R13. |
| Purification: | Protein A purified                                                                                                                                                         |

## Target Details

|                   |                                                           |
|-------------------|-----------------------------------------------------------|
| Target:           | TAS2R13                                                   |
| Alternative Name: | T2R13 / TAS2R13 ( <a href="#">TAS2R13 Products</a> )      |
| Background:       | Name/Gene ID: TAS2R13<br>Subfamily: Taste<br>Family: GPCR |

## Target Details

|          |                                |
|----------|--------------------------------|
|          | Synonyms: TAS2R13, T2R13, TRB3 |
| Gene ID: | 50838                          |

## Application Details

|                    |                                                                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                                                                        |
|                    | Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                                      |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
