## Overview

|                      |                                         |
|----------------------|-----------------------------------------|
| Quantity:            | 200 µL                                  |
| Target:              | TDRD1                                   |
| Binding Specificity: | AA 966-995                              |
| Reactivity:          | Human                                   |
| Host:                | Rabbit                                  |
| Clonality:           | Polyclonal                              |
| Conjugate:           | This TDRD1 antibody is conjugated to PE |
| Application:         | Western Blotting (WB), ELISA            |

## Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                    |
| Specificity:  | This TDRD1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 966-995 amino acids from the C-terminal region of human TDRD1. |
| Purification: | Affinity purified                                                                                                                                                      |

## Target Details

|                                                                                |                                          |
|--------------------------------------------------------------------------------|------------------------------------------|
| Target:                                                                        | TDRD1                                    |
| Alternative Name:                                                              | TDRD1 ( <a href="#">TDRD1 Products</a> ) |
| Background:                                                                    | Name/Gene ID: TDRD1                      |
| Synonyms: TDRD1, Cancer/testis antigen 41.1, CT41.1, Tudor domain containing 1 |                                          |

### Target Details

|           |                                                                |
|-----------|----------------------------------------------------------------|
| Gene ID:  | 56165                                                          |
| Pathways: | <a href="#">Ribonucleoprotein Complex Subunit Organization</a> |

### Application Details

|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                      |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
