Datasheet for ABIN1941663

**anti-TGIF2LY antibody (AA 1-28) (Biotin)**

## Overview

|                      |                                               |
|----------------------|-----------------------------------------------|
| Quantity:            | 200 µL                                        |
| Target:              | TGIF2LY                                       |
| Binding Specificity: | AA 1-28                                       |
| Reactivity:          | Human                                         |
| Host:                | Rabbit                                        |
| Clonality:           | Polyclonal                                    |
| Conjugate:           | This TGIF2LY antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA                  |

## Product Details

|               |                                                                                                                                                                         |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                     |
| Specificity:  | This TGIF2LY antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 1-28 amino acids from the N-terminal region of human TGIF2LY. |
| Purification: | Affinity purified                                                                                                                                                       |

## Target Details

|                   |                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------|
| Target:           | TGIF2LY                                                                                              |
| Alternative Name: | TGIF2LY ( <a href="#">TGIF2LY Products</a> )                                                         |
| Background:       | Name/Gene ID: TGIF2LY<br><br>Synonyms: TGIF2LY, TGIF-like on the Y, TGIFLY, Homeobox protein TGIF2LY |

## Target Details

|          |       |
|----------|-------|
| Gene ID: | 90655 |
|----------|-------|

## Application Details

|                    |                     |
|--------------------|---------------------|
| Application Notes: | Approved: ELISA, WB |
|--------------------|---------------------|

Usage: The applications listed have been tested for the unconjugated form of this product.  
Other forms have not been tested.

|          |                                   |
|----------|-----------------------------------|
| Comment: | Target Species of Antibody: Human |
|----------|-----------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                |              |
|----------------|--------------|
| Concentration: | Lot specific |
|----------------|--------------|

|         |                             |
|---------|-----------------------------|
| Buffer: | PBS, no preservatives added |
|---------|-----------------------------|

|               |                      |
|---------------|----------------------|
| Preservative: | Without preservative |
|---------------|----------------------|

|                  |                                                 |
|------------------|-------------------------------------------------|
| Handling Advice: | Aliquot to avoid repeated freezing and thawing. |
|------------------|-------------------------------------------------|

|          |              |
|----------|--------------|
| Storage: | 4 °C, -20 °C |
|----------|--------------|

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|

|              |          |
|--------------|----------|
| Expiry Date: | 6 months |
|--------------|----------|
