## Overview

|                      |                                                                                 |
|----------------------|---------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                          |
| Target:              | TLK2                                                                            |
| Binding Specificity: | AA 722-772                                                                      |
| Reactivity:          | Human, Mouse, Rat, Cow, Guinea Pig, Horse, Rabbit, Dog                          |
| Host:                | Rabbit                                                                          |
| Clonality:           | Polyclonal                                                                      |
| Conjugate:           | This TLK2 antibody is un-conjugated                                             |
| Application:         | Western Blotting (WB), Immunoprecipitation (IP), Proximity Ligation Assay (PLA) |

## Product Details

|               |                                                                                                                                |
|---------------|--------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                            |
| Specificity:  | Region between residue 722 and 772 of human tousel-like kinase 2 using the numbering given in entry EAW94344.1 (GeneID 11011). |
| Purification: | Immunoaffinity purified                                                                                                        |

## Target Details

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Target:           | TLK2                                                           |
| Alternative Name: | TLK2 ( <a href="#">TLK2 Products</a> )                         |
| Background:       | Name/Gene ID: TLK2<br>Subfamily: TLK<br>Family: Protein Kinase |

## Target Details

Synonyms: TLK2, HsHPK, PKU-ALPHA, Tousled-like kinase 2, Serine/threonine kinase

Gene ID: 11011

## Application Details

Application Notes: Approved: IP (2 - 5 µg/mg lysate), PLA (1:1000 - 1:10000), WB (1:2000 - 1:10000)

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: Tris-citrate/phosphate buffer, pH 7-8, 0.09 % sodium azide.

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C

Storage Comment: Store at 2-8°C for up to 1 year.

Expiry Date: 12 months
