

Datasheet for ABIN1943688

**anti-TRAF3IP1 antibody (AA 396-423) (HRP)**[Go to Product page](#)

## Overview

|                      |                                             |
|----------------------|---------------------------------------------|
| Quantity:            | 200 µL                                      |
| Target:              | TRAF3IP1                                    |
| Binding Specificity: | AA 396-423                                  |
| Reactivity:          | Human                                       |
| Host:                | Rabbit                                      |
| Clonality:           | Polyclonal                                  |
| Conjugate:           | This TRAF3IP1 antibody is conjugated to HRP |
| Application:         | Western Blotting (WB), ELISA                |

## Product Details

|               |                                                                                                                                                                           |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                       |
| Specificity:  | This TRAF3IP1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 396-423 amino acids from the Central region of human TRAF3IP1. |
| Purification: | Protein A purified                                                                                                                                                        |

## Target Details

|                                                                              |                                                |
|------------------------------------------------------------------------------|------------------------------------------------|
| Target:                                                                      | TRAF3IP1                                       |
| Alternative Name:                                                            | TRAF3IP1 ( <a href="#">TRAF3IP1 Products</a> ) |
| Background:                                                                  | Name/Gene ID: TRAF3IP1                         |
| Synonyms: TRAF3IP1, DKFZP434F124, MIPT3, MIP-T3, TRAF3-interacting protein 1 |                                                |

### Target Details

|           |                                    |
|-----------|------------------------------------|
| Gene ID:  | 26146                              |
| Pathways: | <a href="#">Hedgehog Signaling</a> |

### Application Details

|                    |                                                                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                                                                     |
| Restrictions:      | For Research Use only                                                                                                                                                                                 |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
