

Datasheet for ABIN1945606

**anti-TUBA3C antibody (AA 413-441) (PE)**[Go to Product page](#)

## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | TUBA3C                                   |
| Binding Specificity: | AA 413-441                               |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This TUBA3C antibody is conjugated to PE |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                          |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                      |
| Specificity:  | This TUBA3C antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 413-441 amino acids from the C-terminal region of human TUBA3C. |
| Purification: | Affinity purified                                                                                                                                                        |

## Target Details

|                                                                                             |                                            |
|---------------------------------------------------------------------------------------------|--------------------------------------------|
| Target:                                                                                     | TUBA3C                                     |
| Alternative Name:                                                                           | TUBA3C ( <a href="#">TUBA3C Products</a> ) |
| Background:                                                                                 | Name/Gene ID: TUBA3C                       |
| Synonyms: TUBA3C, Alpha-tubulin 2, Alpha-tubulin 3C/D, BA408E5.3, Tubulin alpha-3C/D chain, |                                            |

### Target Details

|           |                                                                   |
|-----------|-------------------------------------------------------------------|
|           | Tubulin, alpha 2, TUBA2, Tubulin alpha-2 chain, Tubulin, alpha 3c |
| Gene ID:  | 7278                                                              |
| Pathways: | <a href="#">Microtubule Dynamics</a>                              |

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
