| Overview             |                                                                                                                                                                     |  |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Quantity:            | 200 μL                                                                                                                                                              |  |
| Target:              | VPS54                                                                                                                                                               |  |
| Binding Specificity: | AA 465-491                                                                                                                                                          |  |
| Reactivity:          | Mouse                                                                                                                                                               |  |
| Host:                | Rabbit                                                                                                                                                              |  |
| Clonality:           | Polyclonal                                                                                                                                                          |  |
| Conjugate:           | This VPS54 antibody is conjugated to HRP                                                                                                                            |  |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC)                                                                                                            |  |
| Product Details      |                                                                                                                                                                     |  |
| Isotype:             | IgG                                                                                                                                                                 |  |
| Specificity:         | This VPS54 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 465-491 amino acids from the Central region of human VPS54. |  |
| Purification:        | Affinity purified                                                                                                                                                   |  |
| Target Details       |                                                                                                                                                                     |  |
| Target:              | VPS54                                                                                                                                                               |  |
| Alternative Name:    | VPS54 (VPS54 Products)                                                                                                                                              |  |
| Background:          | Name/Gene ID: VPS54                                                                                                                                                 |  |

| Gene ID:            | 51542                                                                                                                                                                      |  |
| Application Details |                                                                                                                                                                            |  |
| Application Notes:  | Approved: ELISA, IHC, WB                                                                                                                                                   |  |
|                     | Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |  |
| Comment:            | Target Species of Antibody: Mouse                                                                                                                                          |  |
| Restrictions:       | For Research Use only                                                                                                                                                      |  |
| Handling            |                                                                                                                                                                            |  |
| Format:             | Liquid                                                                                                                                                                     |  |
| Concentration:      | Lot specific                                                                                                                                                               |  |
| Buffer:             | PBS, no preservatives added                                                                                                                                                |  |
| Preservative:       | Without preservative                                                                                                                                                       |  |
| Handling Advice:    | Aliquot to avoid repeated freezing and thawing.                                                                                                                            |  |
| Storage:            | 4 °C,-20 °C                                                                                                                                                                |  |
| Storage Comment:    | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light.                                             |  |
| Expiry Date:        | 6 months                                                                                                                                                                   |  |
