## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 200 µL                                 |
| Target:              | XRN2                                   |
| Binding Specificity: | AA 48-76                               |
| Reactivity:          | Human                                  |
| Host:                | Rabbit                                 |
| Clonality:           | Polyclonal                             |
| Conjugate:           | This XRN2 antibody is conjugated to PE |
| Application:         | Western Blotting (WB), ELISA           |

## Product Details

|               |                                                                                                                                                                    |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                |
| Specificity:  | This XRN2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 48-76 amino acids from the N-terminal region of human XRN2. |
| Purification: | Protein A purified                                                                                                                                                 |

## Target Details

|                                                                                        |                                        |
|----------------------------------------------------------------------------------------|----------------------------------------|
| Target:                                                                                | XRN2                                   |
| Alternative Name:                                                                      | XRN2 ( <a href="#">XRN2 Products</a> ) |
| Background:                                                                            | Name/Gene ID: XRN2                     |
| Synonyms: XRN2, 5'-3' exoribonuclease 2, 5-3 exoribonuclease 2, DHM1-like protein, DHP |                                        |

## Target Details

|          |         |
|----------|---------|
|          | protein |
| Gene ID: | 22803   |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
