

Datasheet for ABIN1950156

**anti-ZNF169 antibody (AA 131-159) (PE)**[Go to Product page](#)

## Overview

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Quantity:            | 200 µL                                              |
| Target:              | ZNF169                                              |
| Binding Specificity: | AA 131-159                                          |
| Reactivity:          | Human                                               |
| Host:                | Rabbit                                              |
| Clonality:           | Polyclonal                                          |
| Conjugate:           | This ZNF169 antibody is conjugated to PE            |
| Application:         | Western Blotting (WB), ELISA, Flow Cytometry (FACS) |

## Product Details

|               |                                                                                                                                                                          |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                      |
| Specificity:  | This ZNF169 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 131-159 amino acids from the N-terminal region of human ZNF169. |
| Purification: | Affinity purified                                                                                                                                                        |

## Target Details

|                   |                                             |
|-------------------|---------------------------------------------|
| Target:           | ZNF169                                      |
| Alternative Name: | ZNF169 ( <a href="#">ZNF169 Products</a> )  |
| Background:       | Name/Gene ID: ZNF169<br>Family: Zinc Finger |

### Target Details

|          |                                           |
|----------|-------------------------------------------|
|          | Synonyms: ZNF169, Zinc finger protein 169 |
| Gene ID: | 169841                                    |

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, WB                                                                                                        |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
