

Datasheet for ABIN1950734

**anti-ZSCAN16 antibody (AA 154-180) (APC)**[Go to Product page](#)

## Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | ZSCAN16                                    |
| Binding Specificity: | AA 154-180                                 |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This ZSCAN16 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA               |

## Product Details

|               |                                                                                                                                                                         |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                     |
| Specificity:  | This ZSCAN16 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 154-180 amino acids from the Central region of human ZSCAN16. |
| Purification: | Affinity purified                                                                                                                                                       |

## Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | ZSCAN16                                               |
| Alternative Name: | ZNF435 / ZSCAN16 ( <a href="#">ZSCAN16 Products</a> ) |
| Background:       | Name/Gene ID: ZSCAN16<br>Family: Zinc Finger          |

## Target Details

|          |                                                                                                 |
|----------|-------------------------------------------------------------------------------------------------|
|          | Synonyms: ZSCAN16, DJ265C24.3, ZNF392, Zinc finger protein 392, Zinc finger protein 435, ZNF435 |
| Gene ID: | 80345                                                                                           |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
