

Datasheet for ABIN1951709

## **anti-ZSCAN18 antibody (AA 194-220) (APC)**

[Go to Product page](#)

### Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | ZSCAN18                                    |
| Binding Specificity: | AA 194-220                                 |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This ZSCAN18 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA               |

### Product Details

|               |                                                                                                                                                                         |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                     |
| Specificity:  | This ZSCAN18 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 194-220 amino acids from the Central region of human ZSCAN18. |
| Purification: | Affinity purified                                                                                                                                                       |

### Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | ZSCAN18                                               |
| Alternative Name: | ZSCAN18 / ZNF447 ( <a href="#">ZSCAN18 Products</a> ) |
| Background:       | Name/Gene ID: ZSCAN18<br>Family: Zinc Finger          |

## Target Details

|          |                                                    |
|----------|----------------------------------------------------|
|          | Synonyms: ZSCAN18, Zinc finger protein 447, ZNF447 |
| Gene ID: | 65982                                              |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
