## Overview

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Quantity:            | 200 µL                                              |
| Target:              | ZSCAN2                                              |
| Binding Specificity: | AA 117-146                                          |
| Reactivity:          | Human                                               |
| Host:                | Rabbit                                              |
| Clonality:           | Polyclonal                                          |
| Conjugate:           | This ZSCAN2 antibody is conjugated to Biotin        |
| Application:         | Western Blotting (WB), ELISA, Flow Cytometry (FACS) |

## Product Details

|               |                                                                                                                                                                          |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                      |
| Specificity:  | This ZSCAN2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 117-146 amino acids from the N-terminal region of human ZSCAN2. |
| Purification: | Affinity purified                                                                                                                                                        |

## Target Details

|                                                                                         |                                            |
|-----------------------------------------------------------------------------------------|--------------------------------------------|
| Target:                                                                                 | ZSCAN2                                     |
| Alternative Name:                                                                       | ZSCAN2 ( <a href="#">ZSCAN2 Products</a> ) |
| Background:                                                                             | Name/Gene ID: ZSCAN2                       |
| Synonyms: ZSCAN2, Zfp-29, Zinc finger protein 29, ZNF854, ZFP29, Zinc finger protein 29 |                                            |

### Target Details

|          |                                  |
|----------|----------------------------------|
|          | homolog, Zinc finger protein 854 |
| Gene ID: | 54993                            |

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, WB                                                                                                        |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
