

Datasheet for ABIN1965046

**anti-DHX36 antibody (AA 394-420) (APC)**[Go to Product page](#)

## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | DHX36                                    |
| Binding Specificity: | AA 394-420                               |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This DHX36 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                     |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                 |
| Specificity:  | This DHX36 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 394-420 amino acids from the Central region of human DHX36. |
| Purification: | Affinity purified                                                                                                                                                   |

## Target Details

|                   |                                                                                                                   |
|-------------------|-------------------------------------------------------------------------------------------------------------------|
| Target:           | DHX36                                                                                                             |
| Alternative Name: | DHX36 ( <a href="#">DHX36 Products</a> )                                                                          |
| Background:       | Name/Gene ID: DHX36<br><br>Synonyms: DHX36, DEAH box protein 36, DDX36, G4R1, MLE-like protein 1, G4 resolvase-1, |

## Target Details

|           |                                              |
|-----------|----------------------------------------------|
|           | KIAA1488, MLEL1, RHAU                        |
| Gene ID:  | 170506                                       |
| Pathways: | <a href="#">Toll-Like Receptors Cascades</a> |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
