

Datasheet for ABIN1965999

## **anti-ATF5 antibody (AA 188-216) (Biotin)**

[Go to Product page](#)

### Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | ATF5                                       |
| Binding Specificity: | AA 188-216                                 |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This ATF5 antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA               |

### Product Details

|               |                                                                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                  |
| Specificity:  | This ATF5 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 188-216 amino acids from the C-terminal region of human ATF5. |
| Purification: | Affinity purified                                                                                                                                                    |

### Target Details

|                                                           |                                        |
|-----------------------------------------------------------|----------------------------------------|
| Target:                                                   | ATF5                                   |
| Alternative Name:                                         | ATF5 ( <a href="#">ATF5 Products</a> ) |
| Background:                                               | Name/Gene ID: ATF5                     |
| Synonyms: ATF5, HMFN0395, Transcription factor ATFx, ATFX |                                        |

### Target Details

|           |                                                       |
|-----------|-------------------------------------------------------|
| Gene ID:  | 22809                                                 |
| Pathways: | <a href="#">Myometrial Relaxation and Contraction</a> |

### Application Details

|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                      |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
