

Datasheet for ABIN1966063

**anti-Ataxin 2-Like antibody (AA 1021-1048) (Biotin)**[Go to Product page](#)

## Overview

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Quantity:            | 200 µL                                              |
| Target:              | Ataxin 2-Like (ATXN2L)                              |
| Binding Specificity: | AA 1021-1048                                        |
| Reactivity:          | Human                                               |
| Host:                | Rabbit                                              |
| Clonality:           | Polyclonal                                          |
| Conjugate:           | This Ataxin 2-Like antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA, Flow Cytometry (FACS) |

## Product Details

|               |                                                                                                                                                                            |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                        |
| Specificity:  | This ATXN2L antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 1021-1048 amino acids from the C-terminal region of human ATXN2L. |
| Purification: | Affinity purified                                                                                                                                                          |

## Target Details

|                                                                                               |                                            |
|-----------------------------------------------------------------------------------------------|--------------------------------------------|
| Target:                                                                                       | Ataxin 2-Like (ATXN2L)                     |
| Alternative Name:                                                                             | ATXN2L ( <a href="#">ATXN2L Products</a> ) |
| Background:                                                                                   | Name/Gene ID: ATXN2L                       |
| Synonyms: ATXN2L, A2D, A2LP, A2RP, Ataxin 2 related protein, Ataxin-2 domain protein, Ataxin- |                                            |

## Target Details

|           |                                                                |
|-----------|----------------------------------------------------------------|
|           | 2-related protein, A2LG, Ataxin 2-like, Ataxin-2-like protein  |
| Gene ID:  | 11273                                                          |
| Pathways: | <a href="#">Ribonucleoprotein Complex Subunit Organization</a> |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, WB                                                                                                        |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
