

Datasheet for ABIN1969344

## **anti-DUSP14 antibody (AA 76-105) (Biotin)**

[Go to Product page](#)

### Overview

|                      |                                              |
|----------------------|----------------------------------------------|
| Quantity:            | 200 µL                                       |
| Target:              | DUSP14                                       |
| Binding Specificity: | AA 76-105                                    |
| Reactivity:          | Human                                        |
| Host:                | Rabbit                                       |
| Clonality:           | Polyclonal                                   |
| Conjugate:           | This DUSP14 antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA                 |

### Product Details

|               |                                                                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                  |
| Specificity:  | This DUSP14 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 76-105 amino acids from the Central region of human DUSP14. |
| Purification: | Affinity purified                                                                                                                                                    |

### Target Details

|                   |                                                                                        |
|-------------------|----------------------------------------------------------------------------------------|
| Target:           | DUSP14                                                                                 |
| Alternative Name: | DUSP14 ( <a href="#">DUSP14 Products</a> )                                             |
| Background:       | Name/Gene ID: DUSP14<br>Subfamily: Dual specificity MKP<br>Family: Protein Phosphatase |

## Target Details

|          |                                                                         |
|----------|-------------------------------------------------------------------------|
|          | Synonyms: DUSP14, DUSP 14, MKP-6, MKP-L, MAP kinase phosphatase 6, MKP6 |
| Gene ID: | 11072                                                                   |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
