## Overview

|                      |                                                                                 |
|----------------------|---------------------------------------------------------------------------------|
| Quantity:            | 200 µL                                                                          |
| Target:              | ELMO2                                                                           |
| Binding Specificity: | AA 323-350                                                                      |
| Reactivity:          | Human                                                                           |
| Host:                | Rabbit                                                                          |
| Clonality:           | Polyclonal                                                                      |
| Conjugate:           | This ELMO2 antibody is conjugated to Biotin                                     |
| Application:         | ELISA, Western Blotting (WB), Immunohistochemistry (IHC), Flow Cytometry (FACS) |

## Product Details

|               |                                                                                                                                                                     |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                 |
| Specificity:  | This ELMO2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 323-350 amino acids from the Central region of human ELMO2. |
| Purification: | Affinity purified                                                                                                                                                   |

## Target Details

|                   |                                                                                     |
|-------------------|-------------------------------------------------------------------------------------|
| Target:           | ELMO2                                                                               |
| Alternative Name: | ELMO2 ( <a href="#">ELMO2 Products</a> )                                            |
| Background:       | Name/Gene ID: ELMO2                                                                 |
|                   | Synonyms: ELMO2, PH domain protein CED12A, CED-12, Ced-12 homolog 2, CED12, CED12A, |

## Target Details

|          |                                                                                      |
|----------|--------------------------------------------------------------------------------------|
|          | ELMO-2, Engulfment and cell motility 2, HCed-12A, KIAA1834, Protein ced-12 homolog A |
| Gene ID: | 63916                                                                                |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, IHC, WB                                                                                                   |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
