**anti-ARHGAP18 antibody (AA 180-207) (FITC)**[Go to Product page](#)

## Overview

|                      |                                              |
|----------------------|----------------------------------------------|
| Quantity:            | 200 µL                                       |
| Target:              | ARHGAP18                                     |
| Binding Specificity: | AA 180-207                                   |
| Reactivity:          | Human                                        |
| Host:                | Rabbit                                       |
| Clonality:           | Polyclonal                                   |
| Conjugate:           | This ARHGAP18 antibody is conjugated to FITC |
| Application:         | Western Blotting (WB), ELISA                 |
