

Datasheet for ABIN1970045

**anti-BRAP antibody (AA 66-95) (FITC)**[Go to Product page](#)

## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | BRAP                                     |
| Binding Specificity: | AA 66-95                                 |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This BRAP antibody is conjugated to FITC |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                    |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                |
| Specificity:  | This BRAP antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 66-95 amino acids from the N-terminal region of human BRAP. |
| Purification: | Affinity purified                                                                                                                                                  |

## Target Details

|                                                                                        |                                               |
|----------------------------------------------------------------------------------------|-----------------------------------------------|
| Target:                                                                                | BRAP                                          |
| Alternative Name:                                                                      | BRAP2 / IMP ( <a href="#">BRAP Products</a> ) |
| Background:                                                                            | Name/Gene ID: BRAP                            |
| Synonyms: BRAP, BRAP2, IMP, Galectin-2-binding protein, RING finger protein 52, RNF52, |                                               |

## Target Details

|          |                                                    |
|----------|----------------------------------------------------|
|          | BRCA1 associated protein, BRCA1-associated protein |
| Gene ID: | 8315                                               |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
