## anti-EIF5AL1 antibody (AA 94-122) (HRP)

| _      |     |    |     |
|--------|-----|----|-----|
| $\cup$ | )ve | rv | iew |

| Quantity:            | 200 μL                                                                                                       |
|----------------------|--------------------------------------------------------------------------------------------------------------|
| Target:              | EIF5AL1                                                                                                      |
| Binding Specificity: | AA 94-122                                                                                                    |
| Reactivity:          | Human                                                                                                        |
| Host:                | Rabbit                                                                                                       |
| Clonality:           | Polyclonal                                                                                                   |
| Conjugate:           | This EIF5AL1 antibody is conjugated to HRP                                                                   |
| Application:         | Western Blotting (WB), Immunofluorescence (IF), Immunohistochemistry (IHC), ELISA, Immunocytochemistry (ICC) |

## Product Details

| Isotype:       | IgG                                                                                                                                                                       |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:   | This EIF5AL1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 94-122 amino acids from the C-terminal region of human EIF5AL1. |
| Purification:  | Affinity purified                                                                                                                                                         |
| Target Details |                                                                                                                                                                           |
|                |                                                                                                                                                                           |

| Target:           | EIF5AL1                    |
|-------------------|----------------------------|
| Alternative Name: | EIF5AL1 (EIF5AL1 Products) |
| Background:       | Name/Gene ID: EIF5AL1      |

## **Target Details**

| Target Details      |                                                                                                                                                                            |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                     | Synonyms: EIF5AL1, BA342M3.3, EIF-5A-1-like, EIF-5A1-like, EIF5AP1                                                                                                         |
| Gene ID:            | 143244                                                                                                                                                                     |
| Application Details |                                                                                                                                                                            |
| Application Notes:  | Approved: ELISA, ICC, IF, IHC, WB                                                                                                                                          |
|                     | Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:            | Target Species of Antibody: Human                                                                                                                                          |
| Restrictions:       | For Research Use only                                                                                                                                                      |
| Handling            |                                                                                                                                                                            |
| Format:             | Liquid                                                                                                                                                                     |
| Concentration:      | Lot specific                                                                                                                                                               |
| Buffer:             | PBS, no preservatives added                                                                                                                                                |
| Preservative:       | Without preservative                                                                                                                                                       |
| Handling Advice:    | Aliquot to avoid repeated freezing and thawing.                                                                                                                            |
| Storage:            | 4 °C,-20 °C                                                                                                                                                                |
| Storage Comment:    | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light.                                             |
| Expiry Date:        | 6 months                                                                                                                                                                   |
