

Datasheet for ABIN1973942

**anti-DLX6 antibody (AA 91-119) (HRP)**[Go to Product page](#)

## Overview

|                      |                                         |
|----------------------|-----------------------------------------|
| Quantity:            | 200 µL                                  |
| Target:              | DLX6                                    |
| Binding Specificity: | AA 91-119                               |
| Reactivity:          | Human                                   |
| Host:                | Rabbit                                  |
| Clonality:           | Polyclonal                              |
| Conjugate:           | This DLX6 antibody is conjugated to HRP |
| Application:         | Western Blotting (WB), ELISA            |

## Product Details

|               |                                                                                                                                                                  |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                              |
| Specificity:  | This DLX6 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 91-119 amino acids from the Central region of human DLX6. |
| Purification: | Affinity purified                                                                                                                                                |

## Target Details

|                                                                                         |                                        |
|-----------------------------------------------------------------------------------------|----------------------------------------|
| Target:                                                                                 | DLX6                                   |
| Alternative Name:                                                                       | DLX6 ( <a href="#">DLX6 Products</a> ) |
| Background:                                                                             | Name/Gene ID: DLX6                     |
| Synonyms: DLX6, Distal-less homeo box 6, Distal-less homeobox 6, Homeobox protein DLX-6 |                                        |

### Target Details

Gene ID: 1750

### Application Details

Application Notes: Approved: ELISA, WB

Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested.

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

### Handling

Format: Liquid

Concentration: Lot specific

Buffer: PBS, no preservatives added

Preservative: Without preservative

Handling Advice: Aliquot to avoid repeated freezing and thawing.

Storage: 4 °C,-20 °C

Storage Comment: Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light.

Expiry Date: 6 months
