## Overview

|                      |                                                   |
|----------------------|---------------------------------------------------|
| Quantity:            | 100 µL                                            |
| Target:              | CCT8                                              |
| Binding Specificity: | AA 498-548                                        |
| Reactivity:          | Human, Mouse, Rat, Horse, Rabbit, Guinea Pig, Pig |
| Host:                | Rabbit                                            |
| Clonality:           | Polyclonal                                        |
| Application:         | Western Blotting (WB), Immunoprecipitation (IP)   |

## Product Details

|               |                                                                                                                                                  |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                              |
| Specificity:  | Region between residue 498 and 548 of human Chaperonin Containing TCP1, Subunit 8 using the numbering given in entry NP_006576.2 (GeneID 10694). |
| Purification: | Immunoaffinity purified                                                                                                                          |

## Target Details

|                   |                                                                                                              |
|-------------------|--------------------------------------------------------------------------------------------------------------|
| Target:           | CCT8                                                                                                         |
| Alternative Name: | CCT8 ( <a href="#">CCT8 Products</a> )                                                                       |
| Background:       | Name/Gene ID: CCT8<br><br>Synonyms: CCT8, CCT-theta, D21S246, KIAA0002, TCP-1-theta, C21orf112, Cctq, PRED71 |
| Gene ID:          | 10694                                                                                                        |

## Application Details

|                    |                                                           |
|--------------------|-----------------------------------------------------------|
| Application Notes: | Approved: IP (2 - 10 µg/mg lysate), WB (1:2000 - 1:10000) |
|--------------------|-----------------------------------------------------------|

|          |                                   |
|----------|-----------------------------------|
| Comment: | Target Species of Antibody: Human |
|----------|-----------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                |              |
|----------------|--------------|
| Concentration: | Lot specific |
|----------------|--------------|

|         |                                                       |
|---------|-------------------------------------------------------|
| Buffer: | Tris-buffered saline, 0.1 % BSA, 0.09 % sodium azide. |
|---------|-------------------------------------------------------|

|               |              |
|---------------|--------------|
| Preservative: | Sodium azide |
|---------------|--------------|

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
|--------------------|------------------------------------------------------------------------------------------------------------------------|

|          |      |
|----------|------|
| Storage: | 4 °C |
|----------|------|

|                  |                                  |
|------------------|----------------------------------|
| Storage Comment: | Store at 2-8°C for up to 1 year. |
|------------------|----------------------------------|

|              |           |
|--------------|-----------|
| Expiry Date: | 12 months |
|--------------|-----------|
