

Datasheet for ABIN2128195  
**NPPB Protein**

[Go to Product page](#)

### Overview

Quantity:	500 µg
Target:	NPPB
Origin:	Human
Source:	Human
Protein Type:	Native

### Product Details

Purity:	> 99 % pure
---------	-------------

### Target Details

Target:	NPPB
Alternative Name:	BNP 32 ( <a href="#">NPPB Products</a> )
Pathways:	<a href="#">Hormone Activity</a>

### Application Details

Restrictions:	For Research Use only
---------------	-----------------------

### Handling

Format:	Lyophilized
Buffer:	Lyophilized, Acetate Salt
Storage:	4 °C/-20 °C/-80 °C
