

Datasheet for ABIN2129357  
**gamma Globulin Protein**

[Go to Product page](#)

## Overview

Quantity:	1 g
Target:	gamma Globulin
Origin:	Human
Source:	Human
Protein Type:	Native
Biological Activity:	Active

## Product Details

Purity:	> 99 % pure
---------	-------------

## Target Details

Target:	gamma Globulin
Abstract:	<a href="#">gamma Globulin Products</a>

## Application Details

Comment:	Biological activity: > 1 unit/mg at 37 °C
Restrictions:	For Research Use only

## Handling

Format:	Lyophilized
Buffer:	Supplied in Lyophilized form

## Handling

---

Storage: 4 °C/-20 °C/-80 °C
