Datasheet for ABIN2132296 Apotransferrin Protein

Overview

Quantity:	100 mg
Target:	Apotransferrin
Origin:	Human
Source:	Human
Protein Type:	Native

Product Details

Purity:	> 99 % pure
---------	-------------

Target Details

Target:	Apotransferrin
Abstract:	Apotransferrin Products
Molecular Weight:	77 kDa

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Format:	Lyophilized
Buffer:	Lyophilized in ammonia bicarbonate buffer. pH 7.2
Storage:	4 °C/-20 °C/-80 °C
