

Datasheet for ABIN2132569
West Nile Virus Protein (WNV)

[Go to Product page](#)

Overview

Quantity:	250 µg
Target:	West Nile Virus (WNV)
Origin:	Horse
Source:	Escherichia coli (E. coli)
Protein Type:	Recombinant

Product Details

Target Details

Target:	West Nile Virus (WNV)
Abstract:	WNV Products
Target Type:	Virus

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Concentration:	1 mg/mL
Buffer:	Supplied in 20 mM Phosphate buffer, pH 8.0 with 500 mM NaCl
Storage:	4 °C/-20 °C/-80 °C
