

Datasheet for ABIN2132590
XRCC1 Protein

[Go to Product page](#)

Overview

Quantity:	100 µg
Target:	XRCC1
Origin:	Human
Source:	Escherichia coli (E. coli)
Protein Type:	Recombinant

Product Details

Purity:	> 90 % pure
---------	-------------

Target Details

Target:	XRCC1
Alternative Name:	XRCC1 (XRCC1 Products)
Pathways:	DNA Damage Repair

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Buffer:	Supplied in a Tris-based buffer with 50 % glycerol
Storage:	4 °C/-20 °C/-80 °C
