### Overview

|              |                                                                                                       |
|--------------|-------------------------------------------------------------------------------------------------------|
| Quantity:    | 100 µg                                                                                                |
| Target:      | KRT4                                                                                                  |
| Reactivity:  | Human                                                                                                 |
| Host:        | Mouse                                                                                                 |
| Clonality:   | Monoclonal                                                                                            |
| Conjugate:   | This KRT4 antibody is un-conjugated                                                                   |
| Application: | Western Blotting (WB), Immunohistochemistry (IHC), Flow Cytometry (FACS),<br>Immunoprecipitation (IP) |

### Product Details

|            |                                                                                                                             |
|------------|-----------------------------------------------------------------------------------------------------------------------------|
| Immunogen: | Cytokeratin 4 antibody was raised in Mouse using a cytokeratin preparation extracted from human esophagus as the immunogen. |
| Clone:     | 6B10                                                                                                                        |
| Isotype:   | IgG1                                                                                                                        |

### Target Details

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Target:           | KRT4                                            |
| Alternative Name: | Cytokeratin 4 ( <a href="#">KRT4 Products</a> ) |

### Application Details

|                    |                                  |
|--------------------|----------------------------------|
| Application Notes: | IHC: 1:25-1:50, WB: 1:100-1:1000 |
|--------------------|----------------------------------|

Application Details

Restrictions: For Research Use only

Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | In PBS containg 0.09 % sodium azide                                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C                                                                                                                   |
