## Overview

|                      |                                                                                                               |
|----------------------|---------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µg                                                                                                        |
| Target:              | MCM3                                                                                                          |
| Binding Specificity: | N-Term                                                                                                        |
| Reactivity:          | Human                                                                                                         |
| Host:                | Rabbit                                                                                                        |
| Clonality:           | Polyclonal                                                                                                    |
| Conjugate:           | This MCM3 antibody is un-conjugated                                                                           |
| Application:         | Western Blotting (WB), Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)), Immunocytochemistry (ICC) |

## Product Details

|               |                                                                                                                                                                                               |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | MCM3 antibody was raised in Rabbit using a synthetic peptide corresponding to a sequence at the N-terminal of human MCM3, identical to the related rat and Rabbit sequences, as the immunogen |
| Isotype:      | IgG                                                                                                                                                                                           |
| Purification: | MCM3 antibody was purified by affinity chromatography                                                                                                                                         |

## Target Details

|                   |                                                                                                                                                                              |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | MCM3                                                                                                                                                                         |
| Alternative Name: | MCM3 ( <a href="#">MCM3 Products</a> )                                                                                                                                       |

of DNA

Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | Optimal conditions to be determined by the end user |
| Restrictions:      | For Research Use only                               |

Handling

|                  |                                                                                          |
|------------------|------------------------------------------------------------------------------------------|
| Format:          | Lyophilized                                                                              |
| Concentration:   | Lot specific                                                                             |
| Buffer:          | lyophilized form                                                                         |
| Handling Advice: | Avoid repeated freeze/thaw cycles                                                        |
| Storage:         | -20 °C                                                                                   |
| Storage Comment: | Store at 4 °C for short term storage. For long term storage aliquot and store at -20 °C, |
