## anti-Sorting Nexin 3 antibody (HRP)

[Go to Product page](#)

### Overview

|              |                                                          |
|--------------|----------------------------------------------------------|
| Quantity:    | 100 µg                                                   |
| Target:      | Sorting Nexin 3 (SNX3)                                   |
| Reactivity:  | Human                                                    |
| Host:        | Rabbit                                                   |
| Clonality:   | Polyclonal                                               |
| Conjugate:   | This Sorting Nexin 3 antibody is conjugated to HRP       |
| Application: | ELISA, Western Blotting (WB), Immunohistochemistry (IHC) |

### Product Details

|               |                                                                                                           |
|---------------|-----------------------------------------------------------------------------------------------------------|
| Immunogen:    | SDP3 antibody (HRP) was raised in Rabbit using recombinant human Sorting nexin-3 protein as the immunogen |
| Isotype:      | IgG                                                                                                       |
| Purification: | SDP3 antibody (HRP) was purified by Ammonium Sulfate precipitation                                        |

### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | Sorting Nexin 3 (SNX3)                 |
| Alternative Name: | SDP3 ( <a href="#">SNX3 Products</a> ) |

### Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

---

|                  |                                                                       |
|------------------|-----------------------------------------------------------------------|
| Concentration:   | Lot specific                                                          |
| Buffer:          | 0.03 % Procl 300, 50 % Glycerol and 0.01M PBS, PH 7.4                 |
| Handling Advice: | Avoid repeated freeze/thaw cycles                                     |
| Storage:         | 4 °C/-20 °C                                                           |
| Storage Comment: | Store at 4 °C for short term storage and -20 °C for long term storage |
