

Datasheet for ABIN2175636

**anti-HEXIM2 antibody (AA 151-250) (Cy5.5)**[Go to Product page](#)

## Overview

|                      |                                                                                                                                |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                                         |
| Target:              | HEXIM2                                                                                                                         |
| Binding Specificity: | AA 151-250                                                                                                                     |
| Reactivity:          | Human                                                                                                                          |
| Host:                | Rabbit                                                                                                                         |
| Clonality:           | Polyclonal                                                                                                                     |
| Conjugate:           | This HEXIM2 antibody is conjugated to Cy5.5                                                                                    |
| Application:         | Western Blotting (WB), Immunofluorescence (Cultured Cells) (IF (cc)), Immunofluorescence (Paraffin-embedded Sections) (IF (p)) |

## Product Details

|                       |                                                            |
|-----------------------|------------------------------------------------------------|
| Immunogen:            | KLH conjugated synthetic peptide derived from human HEXIM2 |
| Isotype:              | IgG                                                        |
| Predicted Reactivity: | Human,Mouse,Rat,Dog,Pig,Rabbit                             |
| Purification:         | Purified by Protein A.                                     |

## Target Details

|                   |                                                                                        |
|-------------------|----------------------------------------------------------------------------------------|
| Target:           | HEXIM2                                                                                 |
| Alternative Name: | Hexim2 ( <a href="#">HEXIM2 Products</a> )                                             |
| Background:       | Synonyms: Hexamethylene bis-acetamide-inducible protein 2, Hexamethylene bis-acetamide |

## Target Details

inducible 2, HEXI2\_HUMAN, hexim 2, HEXIM2, L3, Protein HEXIM2.  
Background: HEXIM2

## Application Details

Application Notes: IF(IHC-P) 1:50-200  
IF(IHC-F) 1:50-200  
IF(ICC) 1:50-200

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: 1 µg/µL

Buffer: Aqueous buffered solution containing 0.01M TBS ( pH 7.4) with 1 % BSA, 0.03 % Proclin300 and 50 % Glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE, which should be handled by trained staff only.

Storage: -20 °C

Storage Comment: Store at -20°C. Aliquot into multiple vials to avoid repeated freeze-thaw cycles.

Expiry Date: 12 months
