**anti-Neurologin Y antibody (AA 101-200) (Cy5.5)**[Go to Product page](#)

## Overview

|                      |                                                                                                         |
|----------------------|---------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                  |
| Target:              | Neurologin Y (NLGN4Y)                                                                                   |
| Binding Specificity: | AA 101-200                                                                                              |
| Reactivity:          | Human                                                                                                   |
| Host:                | Rabbit                                                                                                  |
| Clonality:           | Polyclonal                                                                                              |
| Conjugate:           | This Neurologin Y antibody is conjugated to Cy5.5                                                       |
| Application:         | Immunofluorescence (Cultured Cells) (IF (cc)), Immunofluorescence (Paraffin-embedded Sections) (IF (p)) |

## Product Details

|                       |                                                            |
|-----------------------|------------------------------------------------------------|
| Immunogen:            | KLH conjugated synthetic peptide derived from human NLGN4Y |
| Isotype:              | IgG                                                        |
| Predicted Reactivity: | Human                                                      |
| Purification:         | Purified by Protein A.                                     |

## Target Details

|                   |                                                                      |
|-------------------|----------------------------------------------------------------------|
| Target:           | Neurologin Y (NLGN4Y)                                                |
| Alternative Name: | NLGN4Y ( <a href="#">NLGN4Y Products</a> )                           |
| Background:       | Synonyms: Y-linked, Neurologin Y, Neurologin-4, NLGN4Y, NLGNY_HUMAN. |

## Target Details

Background: NLGN4Y

## Application Details

Application Notes: IF(IHC-P) 1:50-200  
IF(IHC-F) 1:50-200  
IF(ICC) 1:50-200

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: 1 µg/µL

Buffer: Aqueous buffered solution containing 0.01M TBS ( pH 7.4) with 1 % BSA, 0.03 % Proclin300 and 50 % Glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE, which should be handled by trained staff only.

Storage: -20 °C

Storage Comment: Store at -20°C. Aliquot into multiple vials to avoid repeated freeze-thaw cycles.

Expiry Date: 12 months
