## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 50 µg                               |
| Target:              | ASB4                                |
| Binding Specificity: | AA 1-349                            |
| Reactivity:          | Human                               |
| Host:                | Mouse                               |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This ASB4 antibody is un-conjugated |
| Application:         | Western Blotting (WB)               |

## Product Details

|                             |                                                        |
|-----------------------------|--------------------------------------------------------|
| Immunogen:                  | Full length human ASB4, aa1-349, (NP_665879.1, 51666). |
| Isotype:                    | IgG                                                    |
| Cross-Reactivity:           | Human                                                  |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                        |
| Characteristics:            | ASB4 (Ankyrin Repeat and SOCS Box Protein 4, ASB-4)    |
| Purification:               | Purified by Protein A affinity chromatography.         |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | ASB4                                   |
| Alternative Name: | ASB4 ( <a href="#">ASB4 Products</a> ) |

## Target Details

---

NCBI Accession: [NM\\_145872, NP\\_665879](#)

## Application Details

---

Application Notes: Optimal working conditions should be determined by the investigator.

---

Restrictions: For Research Use only

## Handling

---

Format: Liquid

---

Buffer: Supplied as a liquid in PBS, pH 7.2.

---

Storage: -20 °C

---

Storage Comment: -20°C
