## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 200 µL                              |
| Target:              | CHN2                                |
| Binding Specificity: | AA 162-192, Center, Internal Region |
| Reactivity:          | Human                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This CHN2 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA        |

## Product Details

|                             |                                                                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:                  | CHN2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 162~192 amino acids from the Central region of human CHN2. |
| Isotype:                    | IgG                                                                                                                                                          |
| Cross-Reactivity:           | Human                                                                                                                                                        |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                                                                                              |
| Characteristics:            | CHN2, ID (CHN2, ARHGAP3, BCH, Beta-chimaerin, Beta-chimerin, Rho GTPase-activating protein 3)                                                                |
| Purification:               | Purified by Protein A affinity chromatography.                                                                                                               |

### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | CHN2                                   |
| Alternative Name: | CHN2 ( <a href="#">CHN2 Products</a> ) |
| UniProt:          | <a href="#">P52757</a>                 |

### Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | Supplied as a liquid in PBS, pH 7.2, 0.09 % sodium azide.                                                              |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | -20°C                                                                                                                  |
