

Datasheet for ABIN2253366
anti-Digitoxin antibody

[Go to Product page](#)

Overview

Quantity:	1 mL
Target:	Digitoxin
Reactivity:	Chemical
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This Digitoxin antibody is un-conjugated
Application:	Please inquire

Product Details

Immunogen:	Digitoxin-BSA.
Isotype:	IgG
Purification:	Supplied as a sterile-filtered, defibrinated neat serum.

Target Details

Target:	Digitoxin
Target Type:	Chemical

Application Details

Restrictions:	For Research Use only
